

N-270

Blanket Pile Cleaner

Description

Nova N-270 Blanket Pile Cleaner is a strong cleaning solution for deep cleaning and rejuvenating glazed and heavily piled blankets.

Directions

Apply N-270 to blanket with a shop towel. Use an adequate amount to total. Use an adequate amount to totally cover the blanket surface. Remove piling with a clean portion of cloth.

Product Need and Usage

N-270 is recommended for printers using difficult paper stocks that form heavy piling where normal blanket and roller washes fail to remove the regular build-up of lint and paper coating and ink.

Features

- * Strong acting blanket pile cleaner.
- * Improves blanket life and performance.
- * Non-flammable.
